

NEED HELP IDENTIFYING A PRODUCT?

HOW TO DETERMINE WHICH COLLECTION YOUR PRODUCT IS A PART OF

Homecrest has made it easy to determine which collection your product is a part of. Here are three tools to help you with the identification of your product:

- The **Catalog Archive**, found at homecrest.com/catalog-archive, is an invaluable tool for identifying replacements for resilient Homecrest outdoor patio furniture by allowing you to look through past catalogs.
- The **Model Identification Guide**, found at homecrest.com/replacements, allows you to search (Ctrl-F) by model number, collection name, year of purchase and product type (i.e. glider, swivel rocker, etc). Once you have found your product, refer to the "Replacement #" column to find the replacement number you need to use when placing an order. *Note: replacement arm and floor glides are also listed.*
- Products manufactured after 1998 have a **manufacturing decal**, which is located on the product's metal frame. On the manufacturing decal, there is a set of digits. The first two digits indicate the week of the year the product was produced, the next set of digits represent the product's model number and the last two digits is the year the product was produced. With the model number identified, use the Model Identification Guide to direct you to the replacement number needed.

HOW TO DETERMINE YOUR SLING OR PADDED SLING BASKET

The majority of replacement baskets are low back and high back sling chairs that Homecrest has produced over the years. These chairs utilize four different replacement slings. Here is a quick way to identify replacements needed for these four types of chairs.

- Determine if your chair has an external or internal cross bar and if your chair is a high back sling or a low back sling.

- Select your sling style. Note: A sling replacement tool is included with each order.

HIGH BACK SLING
S 73900S - External Cross Bar
PS 76900S - External Cross Bar

LOW BACK SLING
S 73390S - External Cross Bar
PS 76591S - External Cross Bar

HIGH BACK SLING
S 7390RS - Internal Cross Bar
PS 76910S - Internal Cross Bar

LOW BACK SLING
S 7339RS - Internal Cross Bar
PS 76590S - Internal Cross Bar

SLING REPLACEMENT TOOL
202020 CL - Included with Basket

Note: a Deluxe sling assembly tool (406920ST) is also available for purchase.

HOW TO DETERMINE THE FABRIC YOU NEED

Reference swatch labels or the fabric index in both the catalog and price list to identify fabrics that are available for your type of replacement. You can view an example of the fabric label on page 7.
